

Section A. Facility Data	
Facility No.	B850
Facility Descriptor:	General Administrative, 39,894 square feet
Project:	RISS - Area 1 D&D - Type 1
Date of Demolition:	June 26, 2002
Additional Information:	B850 was a two-story structure with a partial basement. The structure was a pre-fabricated building attached to concrete pillars, with concrete floor and walls below grade. The structure was demolished and disposed of as sanitary waste, or the concrete that met the free-release criteria was staged on-site. Utilities were all disconnected to more than three feet below grade in accordance with site configuration control procedures. A map of utility disconnect locations will be maintained and submitted to the AR on project completion. Site restoration will be performed during final land configuration at RFETS.
<i>(Must include information on environmental releases and conditions of site at turnover to Environmental Restoration)</i>
